

Dear ASAP Family,

Christmas is a time to lift up Jesus, so we thought you would enjoy looking back with us here at ASAP and recapping a glimpse of what He did this past year.

REFUGEE ADVOCATE!

Because Jesus loves the refugees, He made it possible for ASAP (in partnership with NAD) to produce a kit called *Reach the World Next Door*. All the Seventh-day Adventist® churches in America received a promotional DVD about the kit so they can know this resource is ready for them to use. Keep praying churches will catch the vision for cross-cultural ministry right here.

COMPASSIONATE SAVIOR!

Thank you for joining Jesus, our Intercessor, in praying for souls in 2014. More children from the ASAP Feed & Read schools got baptized this year than ever before. Also, many others in the five countries we serve decided not only to be baptized, but to become strong disciples.

COURAGEOUS EVANGELIST!

Jesus wants the deceived, lost and suffering in this world to know who He is. He wants them to have His Word in their hands to guide them. So, Jesus accompanied eight teams of two as they recently went out to the 14 unreached districts of Vietnam to courageously spread the Gospel. Jesus sent secret missionaries to another country to work undercover in bringing the Gospel. He also went with nearly 500 ASAP national missionaries who spread His love. God is doing amazing things in dangerous, oppressive places!

BEST TEACHER!

Jesus, the Master Teacher, taught the ASAP national missionaries beautiful lessons of discipleship during the trainings this year. Contextualized picture books and lesson plans can now capture the hearts of many as the workers bring them from house to house, sharing how to become a disciple of Jesus.

AMAZING PROVIDER!

Guess what? God sent ASAP just enough this last fiscal year to fund the projects we committed to. At one point we were \$71,000 short but in a matter of two weeks of praying and fasting, God opened the windows of heaven and blessed with \$77,000! When we are doing His work in His way, He foots the bill.

DEFENDER OF THE POOR!

We see Jesus' love for the poor in Stephen Erich, who willingly accepted the call to serve in Cambodia as ASAP's Field Projects Collaborator. He will work with the missions in establishing vocational training centers and programs for students and adults currently living without hope.

All for His Glory,

STORYTELLER!

This year, Jesus, the best story-teller ever known, put it on our hearts to follow in His footsteps and share weekly mission stories via podcasts called *Reach the World—A.S.A.P!* If you haven't had a chance to catch these, you can go to ASAP's channel at YouTube, asapministries.org, or ReachtheWorldNextDoor.org to be inspired.

DEDICATED DONOR!

We see the same spirit of self-sacrificing love in each of you that we see in God who donated His Son and let Him come as a little baby to this sin-sick world to live a life of hardship and then suffer and die for us. Thank you for revealing His character through your dedication to this cause.
